

## A Graduating Senior's

# CHECKLIST

### For Life!!!

A series of commitments to make that will set you apart from any crowd!!!

## A COLLEGE DIPLOMA IS NO LONGER ENOUGH TO WIN THE GAME!

I've uncovered 10 intentional actions that when wrapped around the pursuit of a college degree leads to opportunity you cannot acquire by attending class alone. A career turbo boost to install now that multiplies.

**1-Gratitude** and how to incorporate it into your daily living and provide a home court advantage.

**2-The NEW world of work** and why what is out there is so different from what you might expect.

**3-The law of the farm** and how it beats any productivity philosophy that is out there.

**4-The secret to my success is found in my daily routine.** How to have an impactful one that elevates your game.

**5-Understanding that the ability to effectively communicate** is the most valuable skill set you'll need at the next level.

**6-How to become an strategic reader** for the rest of your life that will lead to wisdom, growth, and advancement.

**7-Uncovering the most important appointment of the day** and how it will serve as a springboard to accomplishment.

**8-A relational tool** that will elevate you above the crowd. Practicing it with regularity will separate you from the competition.

**9-Understanding your place in a big world.** Clarifying and setting the proper course that solidifies your opportunity.

**10-A unique way of looking at the future and the past** that will pull you forward.

**The Distance.....,**  
In the future you will certainly arrive. The question is where? We will create a well designed intention through the above.
