## What Knowledge Will I Gain?

- The 7 Biggest Mistakes parents make in preparing for their child's college education.
- How to get financial aid, regardless of your income or assets.
- What kinds of colleges exist and how can students select the perfect fit.
- What are the requirements to get into college?
- What resources can a student count on to get into college.
- How to position your finances to get merit and need based aid.
- Why a 529 Plan and other college plans will hurt you more than help you.

*\*Important: This class will even reveal how a family with an annual income of \$100,000 - \$250,000 + can still get \$\$*
