

## 2022 GV Grizzlies Boys Volleyball Fundraiser

### About the Fundraiser

We are currently running a fundraiser to help raise money and to ensure we have a successful season. The donations will be used for uniforms, travel costs, entry fees, and equipment. Unfortunately, our team struggles to raise the funds necessary to off-set the growing costs and we are looking to our families, friends, and community for help. Please take 5 minutes and donate whatever you can; even the smallest donation makes a difference. Each participant has an individual goal of raising \$500.00 for the fundraiser, so please donate so that they may accomplish it.
