Werk-it! with Aaron Lopez

Aaron is an energetic instructor who is the creator of Werk-It! He has taught for many years from hip hop to lyrical to dance fitness. He has taught Werk-It! all over the country, from Ohio to New Mexico to Utah to San Francisco to over the East Coast. He is so excited to bring Werk-It to SCV and eventually the world!

Werk-It! is a dance fitness class that encourages you to move the way you move. You follow Aaron through some cardio dance steps & when he says "Werk-It!" you get to dance how you feel the music.

Using pop songs, you take on the song and have a good time.

Werk-it! is all about play.
So what are you waiting for?
Let's Go. Play. Werk-it!
